

CURRICULUM VITAE

1. Name : **MD. ANWAR HOSSAIN**
2. Father's Name : Late SADER ALI HOWLADER
3. Mother's Name : Late Joynab Bibi
4. Date of Birth : 30-01-1959
5. Nationality : Bangladeshi
6. Address :
 - (b) Present : Flat No.: C- 4, House No.: 48
Road No. 25,Block-A Banani R/A, Dhaka-1213
E-mail: md.ahossain82@yahoo.com
 - (c) Permanent : Holding no -163/1,Ward no- 06,kalapara pourashava, Post : Khepupara
Upazila : Kalapara, District : Patuakhali.
7. Educational Qualification : B.Sc Engineering (Civil)
Bangladesh University of Engineering & Technology (BUET), Dhaka
Passing Year: 1982
MS in Environmental Science
State University of Bangladesh, Dhaka.
Passing Year: 2014
8. Professional and Social Affiliation : Fellow, Institution of Engineers, Bangladesh
Member, JICA Alumni Association, Bangladesh.
9. Key Professional Experiences : About 43 years of professional experiences. Worked in different Positions as Assistant Engineer, Upazila Engineer, Executive Engineer, Deputy project Director, Project Director, Superintending Engineer and Additional Chief Engineer (Current Charge). During this long period, I was entrusted in planning, designing, estimating, supervision of large bridges and road construction and water resources infrastructure, monitoring, administrative issues and liaison with planning commission, Ministry of LGRD & C, IMED, BRM ADB, ERD etc. Also I went abroad for in service training and seminar. Design and Supervision Engineer (Individual Consultant) for the Construction of Important Bridges on Rural Road (CIBRR) under the Local Government Engineering Department (LGED).
 - (a) Position held : Assistant Engineer/Upazila Engineer (From : 10-07-1983 to 22-09-1993)
Served as Assistant Engineer at Bakergong Zila Parishad. I also served as Upazila Engineer at Bamna Upazila Parishad, Mehendigonj Upazila Parishad, Wazirpur Upazila Parishad and Madaripur Sadar Upazila Parishad. The main responsibilities were supervision and monitoring the construction works of road, bridges/culverts, Union Parishads, Primary Schools and irrigation canals etc. As Upazila Engineer I was responsible for preparation of plan, design, estimate and procurement of construction work. Also responsible for implementation of Decision taken in Upazila Parishad. During those period different types of bridges constructed, among these 180m PC Girder Purlodhi Bridge in Kalkini Upazila, District Madaripur, completion year - 1993.
 - (b) Position held : Executive Engineer (From: 23- 09-1993 to 02-03-2003)

Served as Executive Engineer (Current Charge) from 23-09-1993 to 23-01-2002 and joined as Executive Engineer on 24-01-2002. Worked as Executive Engineer at RDP-13, in the district Jhalokhati, Gopalganj, Bhola, Jessore & Barisal. The main responsibilities were preparation of Annual Procurement Plan, Contract Management, Supervision and

Monitoring of Road, Drain, Bridge/Culvert, Building & Water Resource Schemes. Also responsible for Management of District Quality Control Laboratory & Construction equipment of LGED. Conducted on the job and class room Training to the Upazila Technical Staff. In these period supervised Large Bridge Construction of 81m PC Girder Bridge over Bhola Khal in Bhola Sadar, District Bhola, completion year - 2000.

(c) Position held : Deputy Project Director (From: 03-03-2003 to 31-12-2004)
Served as a Deputy Project Director in the project of STIDP-2 and UGIIP-1 funded by ADB & GOB. The main responsibilities were to assist preparation of Annual Procurement Plan, Contract Management, Supervision and Monitoring of Road, Drain, Bridge/Culvert, Kitchen Market, Bus Terminal, etc and also were entrusted other assignment by Project Director and Departmental Higher Authorities.

(d) Position held : Project Director (From: 01-01-2005 to 16-08-2011)
Served as Project Director (Executive Engineer) in different projects namely: Rehabilitation of 2004 Flood Damage Urban Physical Infrastructure Development Project Part-A, Upazila Town Infrastructure Development Project, Important Urban Infrastructure Development Project. The responsibilities were ;

- Preparation of DPP.
- Preparation of Annual Budget, Annual Work Plan & Annual Procurement Plan
- Review Design, Drawing, Estimate of Construction Work
- Approval of Schemes & Contract Management
- Supervision and Monitoring of Construction Works of Road and Bridges, Master Plan preparation of upazila level pourashavas..
- Liason with Ministries, Planning Commission, Economic Relation Division and IMED, BRM-ADB.
- Release of fund from respective Ministries.
- Project Financial Management & Administration.

(e) Position held : Superintending Engineer (From: 17-08-2011 to 25-11-2015)
Served as Superintending Engineer (Current Charge) from 17-08-2011 to 16-06-2012 and joined as Superintending Engineer on 17-06-2012.

Worked as Superintending Engineer at Barishal.

Worked as Superintending Engineer (Project Monitoring & Evaluation) in LGED HQ. The responsibilities were :

- Preparing of Annual Development Programme (ADP) and RADP for LGED;
- Preparing of Work Plan, ADP Report, IMED, Report, Procurement Report, an also Disbursement and Reimbursement of Project Aid;
- Provide information for giving answer to the Question Raised in Parliament by Hon'ble MP to Hon'ble Minister (LGRD&C);
- Compilation of Inspection Report & Scheme-wise Progress Report;
- Compilation of News published in the Newspaper regarding devloment activities of LGED;
- Provide Technical Guidance to Project Directors for proper monitoring & implementation of their respective projects;
- Preparing LGED's Annual Report;
- Many other tasks were also done as desired by The Chief Engineer,

The Ministry, Planning Commission, ERD, IMED, Programming Division, etc.

- Top supervision of Large Bridge Construction -

1. 160m long Horinbaria Bridge at Taltoli upazila, District Barguna, completion 2010-2011.
2. 120m long Badnikhali bridge at Betagi Upazila, District Barguna, completion 2014-15.
3. 65m Fuljuri Bazar Bridge at Barguna District, completion 2009-2010.
4. 95m long Ghopkhali Bridge of Betagi Upazila, District Barguna, completion 2010-2011.
5. Construction of 592m PC Girder Chapail Bridge at Gopalganj Sadar, District Gopalganj, completion - 2014.
6. 810m long Box Girder Shalotia Bridge at Gafargaon Upazila, District Mymensingh, completion - 2013.
7. 771m long PC and RCC Y-Bridge at Bancharampur upazila, in Brahmanbaria District, completion - 2017.
8. 378m PC Girder bridge over Maya river at Charfashion Upazila, District Bhola, completion - 2015.

(f) Position held : Additional Chief Engineer (Current Charge) (From: 26-11-2015 to 28-06-2016)
Additional Chief Engineer (From: 29-06-2016 to 29-01-2018)

- Top supervision of –

1. Construction of 2.25km Tejgaon to Holy Family Hospital via Sonargaon Hotel Fly-over, completion - 2016.
 2. Construction of 6.00km Rampura-Malibag-Mouchak-Rajabag-Bangla Motor Fly-over, completion - 2017.
 3. 350.4m long PC Girder Bridge over Sultaner Kheya Ghat on Maya river at Charfashion upazila, District Bhola, completion - 2018.
 4. 432m long Bridge at Muladhii upazila, district Baishal, completion - 2018.
 5. 440m long PC Girder Bridge at Bakerganj Upazila, district Barishal, completion - 2018.
- Two Large Bridges at Islampur Upazila, district Jamalpur.

(g) Position held : Design & Supervision Engineer (Individual Consultant)
(From: 04/04/2018 to 30/06/2025)
Worked as a Design & Supervision Engineer of following Bridges not limited.

- Const. of 252m long RCC BOX Girder (100m RCC Viaduct) Bridge over Dhaleshwari-2 river on Dhaka-Mowwa at Thaghoria-Shaper Bazar via Deber Bazar & Mollar Hat road at Ch.5540m under Upazilla: Keraniganj, District: Dhaka
- Const. of 105m long PSC Girder Bridge over Dhaleshwari Branch river on Dhaka-Aricha Highway at Kalia to Araria road (Kella RHD-Vum Dakkhin Joyomontop GC) at Ch. 9000m, Under Dhamrai upazila, District: Dhaka
- Const. of 90m long PSC Girder Bridge over Ichamoti river on Horishkul bazaar (at Kolakopa UP office)-Jontrail UP office-Dhapari Bazar-Gobindopur Bilpolli-Bangla bazaar road at Ch.2230m under Nababganj Upazila, District: Dhaka
- Const. of 250m long PSC Girder Bridge over Bongshi river on Dhaka-Aricha (RHD) 22 Mile Shimulia GC via Nalam road at Ch. 3500m under Savar Upazila District: Dhaka
- Const. of 320m long PSC Girder Bridge over the river Balu at Ch. 00.00m on Porshi G.C-Rupganj-Kayetpara -Demra RHD road at Isapura under Rupganj Upazila, District: Narayanganj.
- Construction of 81.00 m long PSC Girder Bridge over Dhaleshwari Branch river on Chitkabari-Charpouli Road at Ch. 0.00 m under Sadar Upazila, District: Tangail
- Const. of 96m long PSC Girder Bridge With 30m RCC Viaduct over Jinai Branch river on Kharjana-Katuli road at Ch.2000.00m under Sadar Upazila District: Tangail
- Const. of 296m long PSC Girder Bridge over Louhajong river on Niogijoair to Ranagacha ferryghat (Eidgha) Via CCP Budh road at Ch.1925m under Sadar Upazila District: Tangail
- Const. of 264m long PSC Girder Bridge over Zogarchar river on Alanga GC-Zogarchar JBA road via Durgapur UP road at Ch 10500m under Kalihati Upazila District: Tangail
- Const. 282m of long PSC Girder Bridge over the river Jhinai (Pungli) at Ch.2600m on Karatia- Jashihati via Dawli road under Basail Upazila District: Tangail
- Const. of 270m long PSC Girder Bridge over the river Jhinai (Pungli) at Ch.2200m on Kashil UP office-Bilpara Hat via Kashil High School road under Basail Upazila District: Tangail
- Const. of 256m long PSC Girder Bridge over the river Jhinai (Pungli) at Ch.6450m on Natiapara NHW-Kanchanpur GC via Kazirapara road under Basail Upazila District: Tangail
- Const. of 81m long PSC Girder Bridge over Toak river on Baniapara- Baichail road at Ch 700m under Ghatail Upazila District: Tangail
- Const. of 88m long RCC & Archh Girder Bridge including 120m RCC Viaduct (Both Side) Bridge on Bangoj Krishnanagor road at Ch. 3+800m under Akhaura Upazila District: B-Baria.
- Const. of 96m long PSC Girder Bridge over Mathavanga river on Damurhuda-Karpashdanga road at Ch. 1267m under Damurhuda Upazila District: Chuadanga
- Const. of 495m long PSC Girder Bridge With 144m RCC Viaduct over Meghna Branch river on Calibanga bazar to Islampur road at Ch. 1900m under Meghna Upazila, District: Cumilla
- Const. of 81m long PSC Girder Bridge over Dakatia river on Shantir Bazar-Pipodda road at Ch.3270m under Nangalkot Upazila, District: Comilla
- Const. of 150m long PSC Girder Bridge over Dakatia river on Dhalua Bazar GC Dorkar road at Ch.5500m under Nangalkot Upazila, District: Cumilla
- Const. of 675m long PSC Girder Bridge over Meghna Branch river on Araila (Muddarkandi) Ghat to Haripur-Rampur UP road at Ch.

- 1069m & 1700m under Meghna Upazila, Dist. Comilla
- Const. of 472m long PSC Girder Bridge over Meghna Branch river on Boraia Kandi Village to Tulatuli Bazar road at Ch. 2000 m under Meghna Upazila, District: Cumilla
 - Const. of 75m long RCC Girder Bridge over Small Jamuna river on Fulbari Upazila H/Q to Sujapur (Fulbari GC) road at Ch. 500m near Sujajpur Ghat under Fulbari Upazila, Dist. Dinajpur
 - Const. of 96m long PSC Girder Bridge over Small Jamuna river on RHD Joinagar Bazar-Dowalatpur UP office road at Ch. 2400m near Sreepur Ghat under Fulbari Upazila, Dist. Dinajpur
 - Const. of 175m long PSC Girder Bridge over Atrai river on Kharkati Bazar-Vhait UP office road at Ch. 1950m under Chirirbandar Upazila, Dist. Dinajpur
 - Const. of 450 m long PSC Girder Bridge over Atrai river on Sujalpur UP Office (Birganj Upazila H/Q)-Pakerhat GC (Khanshama Upazila) via Burir Bazar road (Jointia ghat) at Ch 7350m under Birganj Upazila, District: Dinajpur
 - Const. of 250m long PSC Girder Bridge over Punorvoba river on Buzruk Basantapur Ghat at Buzruk Basantapur-Ghughudanga connecting road of Sadar Upazila part at Ch. 18700m under Upazilla:Biral, District: Dinajpur
 - Const. of 56m long RCC Girder Bridge over Mohua river on Guthuma -Parshuram road at Ch. 2000m under Parshuram Upazila District: Feni
 - Const. of 24m long RCC Girder Bridge over Kushla Khal on Majbari R&H-Radhagonj Bazar road at Ch.2100m under Kotwalipara Upazila, District: Gopalganj
 - Const. of 788 m long PSC Girder Bridge over Modhumoti river on Gopinathpur to Ghaghadoloitola road at Ch.11280m under Sadar Upazila, District: Gopalganj
 - Const. of 220m long PSC Girder Bridge over Saniajan river on Goddimari Union Connecting road at Ch. 4100m under Upazilla: Hatibandha, District: Lalmonirhat.
 - Const. of 40m long PSC Girder Bridge over Sree river on Shalpi Bazar- Chakbarkot UP(Joypurhat) (Dhamar hat part) road at Ch.4427m under Dhamoirhat Upazila of Naogaon District
 - Const. of 217m long PSC Girder Bridge over the river Atari at Ch.9380m on Nilkuti R&H -Gotgari Hat-Joth Bazar -Damnash GC (Bagmara) road under Manda Upazilla District: Naogaon
 - Const. of 280m long PSC Girder Bridge over Atari river on Debipur Hat-Khelna UP-Alampur UP road at Ch.7424m under Dhamoirhat Upazila of Naogaon District
 - Const. of 262m long PSC Girder Bridge over Atrai river of Kalnamor to Kalna Bisnopur near Khayaghat at Ch.1840m under Mohadebpur Upazila, Dist. Naogaon
 - Const. of 259m long PSC Girder Bridge over Atrai river on Shibgonj Bazar-Bagador Bazar road at Ch.0.00m under Mohadebpur Upazila, Dist. Naogaon
 - Const. of 285 m long PSC Girder Bridge over Atrai river on near Mohesh Chandopur Govt. Primary School road (Singra-bliabari-Kalam-Pangashia-Nazirpru road) at Ch.3350m under Singra Upazila, District: Natore
 - Const. of 140m long PSC Girder Bridge over Banni river at Madan-Tarail connecting road at Ch. 3593m (Fatepur GC-Tarail GC Road) under Madan Upazila, District: Netrakona
 - Const. of 240m long PSC Girder Bridge over Sumeswari river on Gawkandia UP office-Janjail Bazar via Shonkorpur Bazar road at

- Ch. 13100 m Under Durgapur Upazila, District: Netrokona
- Const. of 41 m long RCC Girder Bridge over Tagasia Khal at Ch. 50m on Tegachia-Jamainagar Bazar road at Matagonj Up under Kalapara Upazila, District: Patuakhali
 - Const. of 96 m long PSC Girder Bridge at Ch. 1500m over Srimonto river on Kathaltali GC- Patuakhali-Betagi RHD (Thana Bridge) road and Kathaltoli road under Mirzaganj Upazila, District: Patuakhali
 - Const. of 614m long PSC Girder Bridge over the river Kaliganga at Ch. 15350m on Jaganathkati-Chandkati G.C road under Nesarabad Upazilla District: Pirojpur
 - Const. of 280 m long PSC Girder Bridge over Boral river at Ch. 15100m on Ershadnagar Hat-Demra UP office road under Faridpur Upazila, District: Pabna
 - Const. of 60m long PSC Girder Bridge over Mora Tista river on Haragach UP office-Nazirdha via Akotar Bazar road at Ch. 1500m under Kaunia Upazila, District: Rangpur
 - Const. of 301m long PSC Girder Bridge at Nundaha Ghat over the river Kartoa at Ch. 4500m on Chatra GC to Gillabari Ghat via Nischintobati Primary School road under Upazilla: Pirganj, District: Rangpur
 - Const. of 294m long PSC Girder Bridge over the river Kartoa at Ch. 1500m on Joyntapur ghat-Gopinathpur road under Pirganj Upazilla, District: Rangpur
 - Const. of 96m long PSC Girder Bridge over Ghaghat river at Gapalganj Ghat on Jaiger Hat -Pirgasa via Balar Hat road at Ch. 13365m under Mithapukur Upazila District: Rangpur
 - Const. of 750m long PSC Girder Bridge over Jadukuta river on Dharmapasha-MadhaNagar- Mosessksola-Takerhat-Lawerghor-Sumamganj road at Ch. 20850m, (Tahirpur) under upazila Tahirpur, District: Sunamganj
 - Const. of 450m long PSC Girder Bridge over Patlai river on Takarghat-Kawkandi-Badaghat-Lawreghor-Sunamganj road at Ch. 14860m, upazila Tahirpur, District: Sunamganj
 - Const. of 470m long PSC Girder Bridge over Pian river on Islampur UP-Chhatak- Companiganj RHD-Golga road at Ch. 200m under Chhatak Upazila, District: Sunamganj
 - Const. of 320m long PSC Girder Bridge over Ubdha Khali river on Dharmapasha-Madha-Nagar-Moheskhola-Takerhat-Lawerghor-Sunamganj road at Ch. 19800m, (Dharmapasha Part), Dharmapasha Upazila, District: Sunamganj
 - Const. of 310m long PSC Girder Bridge over Sumsachsuri river on Dharmapasha-Madha Nagar-Moheskhola-Takerhat-Lawerghor-Sumamganj road at Ch. 22220m, (Dharmapasha Part), Dharmapasha Upazila, District: Sunamganj
 - Const. of 294m long PSC Girder Bridge over the river Fulzory at Ch. 250m on Barahar Up office-Tatulua Hat road under Ullahpara Upazilla District: Sirajganj
 - Const. of 80m long PSC & RCC Girder Bridge With 44m (22m+22m) On Both Side Viaduct over Kopotakho river on Magura Bazar to Islamkathi UP office road at Ch. 2150m under Tala Upazila District: Satkhira

The responsibilities were :

- a) Review all project documents like digital topographical survey, sub soil investigation report, land acquisition, Hydrological morphological study report, structural design and drawing cost estimate, technical specification , contract document etc and give specific comment to the project director and Design unit LGED about modification as necessary to improve sustainability of bridges.
- b) Assist the field engineer, upazila engineer for smooth progress and to develop check lists to maintain quality of construction work.
- c) Check correctness of TBM level with respect to the nearest PWD level and fix level of piers, soffit etc as necessary.
- d) Check sub soil investigation and survey as carried in the field of connection with the preparation of design.
- e) Check boring work of cast-in-situ piles, check use of bentonite to prevent caving, check placement of reinforcement to avoid caving measure concrete consumption and to compare with concrete requirement.
- f) collect random sample of construction materials from the contractor's stack yard and carry out necessary test to ensure that material collected by the conform to the specification
- g) Collect random concrete samples from the different concrete batches for testing in the LGED and site laboratory and report the findings to the XEN, LGED, Upazila engineer and Field engineer.
- h) Collect samples of reinforcing bars, post tension cables, bearing pad etc for sending to BUET for testing.
- i) Supervise all casting work and assist field engineer to control quality of construction.
- j) Collect rates of different basic materials in connection with fixing rates of variation orders if necessary, calculate the roles and report to the XEN, LGED and the upazila engineer.
- k) Prepare overall supervision plan including step-by-step construction flow chart, supervision and monitoring method of each item of work, approval system, measurement method, variation approval systematic.
- l) Supervise reinforcement fabrication, formwork, scaffolding, and concrete casting work maintaining quality of work.
- m) Supervise post tensioning and girder shifting work advice as necessary based on the actual ground condition.
- n) Prepare detail estimate, bar bending schedule & BOQ of RCC Girder bridge, RCC slab bridge, RCC Box Girder bridge, Pre stress concrete girder bridge, RCC Box culvert, pavement work and different type of buildings.
- o) Analysis if item of rate schedule

10. Computer Skill

- Computer skill i) MS word ii) Excel iii) Power point iv) Auto CAD
- Training in relevant areas etc.

11. Training in : Bangladesh

<u>No.</u>	<u>Name of The Training</u>	<u>Duration</u>	<u>Place of Training</u>
1.	Thana Administration Reorganization.	19 th October – 1st November, 1983.	Rural Development Academy, Bogra.
2.	ToT Course.	1985-86	LGED, Training Unit, Dhaka.
3.	Special Foundation Training.	15 th December 1990 – 12 th February 1991	Rural Development Academy, Kotbari, Comilla.
4.	Satellite Imagery Interpretation and Use of Remote Sensing Techniques in the Preparation of Upazila Base Maps.	18 th – 30 th April, 1992.	Bangladesh Space Research & Remote Sensing Organization (SPARRSO)
5.	Gender Planning For Development.	September, 1994	RESP, Faridpur (Rural Employment Sector Programme (RESP) in association with Gender Planning Associates (GAPA), UK).
6.	MS-Word- 6 And Excel- 5.	20 th -24 th August 1995	RESP, Faridpur.
7.	Results-Based Management and the Sector Approach.	17 th – 20 November 2002	Asian Development Bank, Bangladesh Resident Mission, Dhaka.
8.	Training Skill Development.	26 th -29 th May 2003	International Training Network (ITN-Centre) BUET, Dhaka.
9.	Project Management.	13 th -18 th September 2003	NILG, Strengthening Project Portfolio Performance (SPPP) Project
10.	Involuntary Resettlement Management Training.	7 th -8 th December 2003	Asian Development Bank, Bangladesh Resident Mission, Dhaka.
11.	Financial Governance and Management of Investment Projects Financed by ADB.	30 th -31 th March 2004	Asian Development Bank.
12.	Road Safety Design.	17 th -18 th April 2004	Roads and Highways Department.
13.	Traffic Engineering (Module-2).	16 th -21 st July 2005	Department of Civil Engineering, BUET.
14.	Training On Project Management.	3 th -5 st December 2005	RDEC, Bhaban, Agarnaon, Dhaka.
15.	Training : <u>Nature of Training</u> in abroad		<u>Place of Training</u>
	a) Professional Development Program on Small Scale Water Resources Development		Bangkok, Thailand
	b) Rural Road Maintenance		Tokyo, Japan
	c) High Impact Project Management		Ho Chi Minh, Hanoi, Vietnam
	d) EU-ASIA Solid West Management Conference		Malaysia
	e) Sustainable Urban Mobility in Asia (SUMA) Summit		Delhi, Ahmedabad, India
	g) International Conference on Fiscal Decentralization		Jakarta, Indonesia
	h) Monitoring & Evaluation of Infrastructure Development Project		Ho Chi Minh, Hanoi & Bejeing,
	I) Invironment Management Study Tour Cum Training		Vietnam & China
	J) Electronic Government Procurement Training		South Korea, China, Thailand
	k) Study Tour in Portugal		Tourin & Rome, Italy Portugal
12.	Extra Curriculum Activities	I like to devote myself in social and religions activities.
